

St. JOSEPH'S PREPARATORY SCHOOL
Part of the Edmund Rice Family

1st May 2018

Dear Parents,

Annually our Governing Body ask Parents to give feedback on their perception of the school. The information received is always very useful and is used as the basis for discussions and development at our Governors and Staff Meeting on the 12th May.

We would be grateful if you could kindly commit to just a few moments of your time to tell us what we do well and what you would like to see changed, in order that we can use this to build our strategies for continued success.

In order that the Governing Body may respond if necessary personally to issues raised, please provide your name and e-mail address where indicated below:
