

PREP 5 PRAYER

Dearest Father,

Help shine a light to the poor so that they may come out of darkness.

We pray for the sick, the animals in danger in our world and that you will help us protect our environment.

We pray for those who have lost their life and wait for your eternal glory, and especially those affected by the Grenfell tower fire in London, and by terrorist attacks and wars around the world.

We thank you for our family and friends and for the delicious food we have to eat, and pray for those who have little or nothing and are in need of friendship and help.

We pray you will help us and children all round the world to concentrate and make the most of their lessons, and guide us to make the world a better place.

We ask all this in your name.

Amen
