

St. JOSEPH'S PREPARATORY SCHOOL
Part of the Edmund Rice Family

Mrs Rowena Watkins
Appointed: 2014
Curriculum Responsibility: P.E & Games; PSHE

Profession:
Education

I was appointed as a school Governor at St. Joseph's Preparatory School in 2015.

I am link Governor for PSHE and PE.

I have spent 20 years working in Education. My teaching career began in 1996, as a teacher of Modern Foreign Languages in a large Secondary school in Telford. I spent 13 years teaching MFL and progressed to Head of Department. I also held other posts along the way, including PSHE coordinator. Seven years ago, I decided upon a change of direction and I took a position within a Local Authority as School Admissions Manager. I currently work as an Education Advisor within the Authority.

Outside of work, I am a mother to three wonderful daughters and I have always seen and supported the benefits of a Roman Catholic Education. My daughters have all attended Our Lady and St. Werburgh's Primary school in Seabridge and my two eldest have attended St John Fisher Catholic College.

When time allows for interests, I enjoy watching films, eating out and reading. Family holidays to France are a regular occurrence.
