March 2018 - St Joseph's Preparatory School PTA

St Joseph's
Preparatory School

Firstly thank you for your continued support of the PTA. We are extremely grateful for this.

We recently had a PTA Meeting after school. This was to discuss and plan events to fundraise for the school. With the Mini bus being nearly 10 years old, we have decided to keep fundraising for a new Mini bus. We have planned lots of exciting events to help fundraise for this.

In recent years we have held a Spring Gala Dinner or Summer Ball which have been enjoyable and very successful evenings. It has been decided that due to the new PTA team being in its infancy we will not be doing such an event this year but plan to do something similar next year.

For Parents and Carers who are not aware, the PTA team run a 'Preloved Uniform' shop which we are currently trying to restock so we can hold 'Pop up' shops.

Please see below a calendar of events for your diary March – July 2018
