

INDEPENDENT SCHOOLS INSPECTORATE

SEEKING THE VIEWS OF PARENTS

4th November 2016

Dear Parent or Guardian,

Inspection of St Joseph's Preparatory School starting on 08 Nov 2016

Your child's school is soon to be inspected by the Independent Schools Inspectorate as part of the programme of regular inspections required by the Department for Education.

The inspection team invites all parents to take a few moments to complete a confidential questionnaire as part of the process. The questionnaire is available for you to complete online at <http://surveys.isi.net>. The unique code for your school's inspection is YKVN-SDPC-QFJV and you will need to enter this to access the questionnaire. The online questionnaire must be completed by 6pm the day before the inspection begins to allow the results to be collated, so please complete the questionnaire as soon as possible. If you have more than one child at the school, you can complete a questionnaire for each child by following the prompts after completion of the first questionnaire.

The completed questionnaires provide a valuable source of information for the inspection team and are designed to allow you to make detailed comments for the reporting inspector should you wish. A good volume of returns ensures that the questionnaire process gives a balanced view of the school's strengths and weaknesses. We appreciate that parents are busy and that inspection at short notice does not allow much time for you to complete the questionnaire. Inspectors value your feedback and we thank you in advance for taking the time to contribute to the forthcoming inspection.

If you are unable to access the online version then you may request a copy of the questionnaire from the school and return it to the school in a sealed envelope, addressed to the Reporting Inspector.

If you would like to know more about the inspection or ISI, please go to <http://www.isi.net/parents-and-pupils/guidance-for-parents>. If you experience difficulties with the online questionnaire process, please contact info@isi.net.

If you wish to discuss anything further with ISI or wish to speak to the lead inspector for this inspection, please contact info@isi.net.

Yours sincerely,

Independent Schools Inspectorate
