

ST JOSEPH'S PREPARATORY SCHOOL
Part of the Edmund Rice Family

11th October 2017

Dear Parents,

We are adding a new way to stay up-to-date with what your child is doing in school. The 'Parent Share' system lets you receive reports (complete with photos) via email, showing you what your child has been learning and the new skills they are developing. You can also send us comments and feedback by simply replying to the emails. This will help our staff to support your child even more effectively in the classroom. You will receive an email before half term from reports@2buildaprofile.com asking you to confirm that you would like to participate. Make sure you check your spam/junk inbox as sometimes emails can get lost in there.

When you sign up you may add two email addresses per child.

Once set up we will send a minimum of one email per child per week.

We will ask that the information we send to you is not shared on Social media as it is a personal communication between the school and you.

Participation is optional, but we really recommend getting involved. If you have any questions or need any additional information, please contact the school directly.

Yours sincerely

S. D. Hutchinson .
