

ST JOSEPH'S PREPARATORY SCHOOL
Part of the Edmund Rice Family

9th November 2017

Dear Parents,

I am writing to alert you to an online game called Roblox, which is apparently overtaking Minecraft in popularity.

If you are allowing your child to play this game you may want to check that your child's account has been set up age appropriately and assess whether you are happy for your child to play.

We have been informed by parents that children have been approached whilst playing Roblox online at home and asked for personal details.

Children are not playing this game in school.

I hope that this is useful information

Yours sincerely

S. D. Hutchinson .
