

**ST JOSEPH'S PREPARATORY SCHOOL**  
Part of the Edmund Rice Family

9<sup>th</sup> November 2017

Dear Parent,

We were notified yesterday by Severn Trent that they will be starting maintenance work on underground water pipes in and around the area on 27<sup>th</sup> November.

The maintenance work is expected to take approximately two to three months.

The works will directly affect Rookery Lane, Marina Road, Walton Road and the other surrounding roads, including London Road and the A34, Stone Road. There will be temporary traffic lights in operation during this time and so it will definitely cause delays during peak periods.

If you would like to know any further information about the work, then please feel free to pop over to Oakhill Primary School on Wednesday 15<sup>th</sup> November between 3.30pm – 6pm as Severn Trent will be holding a 'Drop In' Session to answer any queries that you may have. You will also be able to look at the planning.

If you would like free regular / weekly text updates about the project then Text 'MARINA' to 01952 780333.
