Part of the Edmund Rice Family

6th September 2017

Dear Parents,

I write to remind you of a few details regarding the forthcoming St. Joseph's College Entrance Examination.

As you are aware, we do not have anything to do with the administration of the exam or any of the subsequent forms and paper work. You should have registered your child with the Local Authority and the College if you wish for your child to take the examination. If you have any questions regarding this please contact St. Joseph's College direct on 01782 848008 or visit <http://stjosephstrentvale.com/about-the-school/admissions/>

The examination runs on both **Friday 22nd and Saturday 23rd September 2017**. If your child is taking the exam on the Friday there are several options available to you. You can have sole responsibility for your child on that day, delivering them to, and picking them up from the College yourselves. We are, however, willing to take the children over and pick them up as required if this would be easier for you.

If the second option is being used we do require your consent and would appreciate you filling in the form, attached to this letter, so we have a clear understanding of which children the school will be responsible for.

We will require your child to be in school by **8.10am** on the morning of Friday 22nd September with all the relevant information/equipment that is required. A bottle of water and a small snack is useful too. **Please ensure you send your child in with their 'Pupil Reference Number', which the College should provide you with in writing before the exam is due to be taken. Some parents have forgotten this in previous years and it can cause some distress to your child!**

I would just like to take the opportunity to say that all of the children are in our thoughts and prayers during this time, and if you have any queries or concerns regarding their secondary transfer do not hesitate to contact me.

Yours sincerely,

Mrs S. Hutchinson BEd
Headteacher
