29<sup>th</sup> January 2018

Dear Parents,

I have received two pieces of information from our professional association ISA which may be of interest to you.

Mobile Phone app

A mobile phone app called 'Sarahah' is spreading across schools and countless children's lives are being made miserable because of it.

Should you have any concerns about this or any aspects of keeping children safe online the NSPCC helpline is a useful contact – 0800 11 11.

Health Warning

There have been outbreaks of measles in some areas. Suspected cases should not be taken to the GP surgeries, it is advised that GP practices should be contacted by telephone. More information can be found on a NHS advice leaflet on Measles.

Yours sincerely

*S. D. Hutchinson .*
