Dear Reception Class Parents,

In our Religious Education lesson next week, we will be learning about Baptism. I would like to take this opportunity to invite the children to share their own experiences of this and ask that if your child is Baptised to send in any items from this special day. These could include:

- Photographs
- Baptismal Candle
- Christening Gown / Outfit
- Certificate
- Special Gifts / Cards given by loved ones on the day

Please be assured that I understand that these are treasured items and that I will ensure that all items will be carefully looked at the day they are sent in and returned home safely with your child the same evening.

Thank you for your continued support,

Many Thanks
