

Prep 3 Class Prayer

Dear Lord,

Help us in our class to do justly, love Mercy and walk humbly as we journey through Prep 3.

We ask for a good sense of right and wrong. We will try to include friends in our games and be friendly to all of our class. We want to be fair and not selfish.

We will try to show kindness by talking to one another when we are feeling down and by sharing our things. When our friends are hurt we will comfort them. When a friend says sorry we will forgive them.

We will turn to you for help when someone is unkind to us, when we are sad, when we need reminding of things, when we are hurt, when we have a problem and when we are worried.

We will try to take pride in our work, in the way we look, the way we keep our classroom and our achievements.

Hear our prayer Lord.

Amen
