

Prep Six Class Prayer

Heavenly Father,

Thank you for bringing us back safely to school after a lovely Summer and for helping us to achieve in all our subjects.

Thank you for looking after us from Nursery through to the start of Prep 6, we will do our best to reach our full potential this year.

We hope that we are able to fully enjoy our last year at St. Joseph's.

Please give us strength to face all challenges during Prep 6.

Help us to be kind, forgiving and thoughtful leaders of our school.

Also, help us to be successful in our examinations this year and to excel in all that we do.

Help us to have courage both inside and outside of school to make our family, friends and teachers proud.

We hope that Prep 6 will be as fun as all our other years at St. Joseph's.

Amen.
