

## Prep 3 Prayer

Dear Lord,

It only takes one kind word to make us feel loved.

May the words we say be kind and thoughtful.

It only takes one loving word to make us feel comforted.

May the words we say be blessed.

It only takes one comforting word to make us feel positive.

May the words we say be helpful.

When God speaks to us it makes us feel happy.

God's words are wise.

May our words be wise and always honest.

With your help may we not to use unkind or hurtful words but words which make ourselves and others feel proud and happy,

Amen
