Sandra Shipley

Appointed: 2009

Curriculum Responsibility: English & MFL

Profession: Retired Teacher / Deputy Head

I started to teach at the prep school when the Pre Prep Department opened and girls were admitted for the first time. Initially I taught Year 1 and later taught Year 3 with responsibility for French, Latin and History. Later I became Deputy Head until my retirement at which point I became a School Governor. I continue to support the teaching of languages on the curriculum and am happy to help the school in any way I can.
