Science	Numeracy	Literacy	Numeracy	Literacy
<p>Children have a crossword on changing materials. This is quite challenging and recaps some of the trickier scientific vocabulary for the topic. Please encourage your child to look through for answers they do know and to use books or the internet to research any answers they do not know -I am not expecting the children to know all the answers.</p>	<p><u>Times tables and divisions</u></p> <p>The children will complete a set of times table questions and division calculation These will also include long multiplication and short division</p>	<p>Key Stage 2 Literacy Activity Year 5 book – Page 20 and 21</p> <p>Read the text on Pg 20 and answer the Text and Sentence exercises on pg 21</p>	<p><u>Time problems</u></p> <p>Children will be asked to calculate the time using both analogue and digital clocks as well as completing some time interval problem solving questions.</p>	<p>Spelling test 16 words plus 4 extra words</p> <p>Vocabulary to be taken from 11+ recommended vocabulary and y5/6 spelling list</p>
