

ST JOSEPH'S PREPARATORY SCHOOL

Part of the Edmund Rice Family

'Open Door' Project

Thank you to everyone who has so generously contributed to our 'Reverse Advent' appeal for 'Open Door'.

Your support has been amazing and has allowed the school to make two journeys to the 'drop off' point with the mini bus laden with provisions.

We are delighted to share our love and concern with those less fortunate than ourselves this Christmas.

The Prep 6 children would like to continue our food collections throughout the year as part of their Edmund Rice Awards and so we will be placing a collection box by the front door to enable you to drop off any food you feel is appropriate in the New Year.

Sincere thanks for your generosity.

From Mrs Hutchinson and Staff at St Joseph's Preparatory School
