

ST JOSEPH'S PREPARATORY SCHOOL
Part of the Edmund Rice Family

10th October 2018

Dear Parents,

To mark the one hundred years since the end of the First World War we are making a 'Peace Garden' at the front of the school.

Each child is going to make a Poppy for the garden.

If you have a special person who died in conflict and who you would like us to remember, please send in their names into school in a sealed envelope along with your child's name. We will then write their name on a poppy, which we will display.

The 'Peace Garden' will be open on Monday 12th November between 9 am and 11 am. We would like to invite you to come along and view our poppies and take a moment to reflect and pray for peace in our world and in our lives.

You are very welcome to bring a friend to view our poppies and join me afterwards for Morning Coffee and a walk around the school to see us on a 'working day'.

Yours sincerely

S. D. Hutchinson .
