

ST JOSEPH'S PREPARATORY SCHOOL
Part of the Edmund Rice Family

15th October 2021

Dear Parent,

It has been brought to our attention that a number of children at the prep end of school have been talking about watching 'Squid Games' a new show streaming on Netflix. This has a rating of 15 for violence, scenes of sexual nature and strong language.

From reading the descriptions of some of the content, it is surprising that it is not rated 18 and It is certainly not appropriate for primary school children to be watching.

If you wish to read in more detail about the content of Squid Games, please see the link below. [Squid Game Parents Guide | Squid Game Age Rating 2021 \(ageratingjuju.com\)](https://www.ageratingjuju.com/Squid-Game-Parents-Guide)

If you are worried about what your child may be able to access on Netflix, you can use parental controls to ensure that your children only access content that is suitable. The simplest way is to set up a profile within your account that only has access to certain maturity ratings, or use the 'Children' profile that is automatically set up on the account.

Thank you.

Yours sincerely
