15th October 2020

Dear Parents,

Re: Multi-Cultural Week – 19th to 23rd October

Once again we are putting the finishing touches to our Multi-Cultural week which takes place week next week.

This year we are hoping to make the week very interactive and exciting and involve the children in discovering facts about many different cultures.

To celebrate this, if your child would like to come to school wearing their traditional dress then they are welcome to do so on Thursday 22nd October.

Please note that children from the Nursery, Reception, Pre Prep One and Pre Prep Two Classes will not require a change of clothes for their dance lesson if they are wearing traditional clothing on the day.

Thank you very much for your continued support and we look forward to enjoying our celebrations next week.

Kind regards,

Mr D. Hood
Headteacher
