

Prayer 24<sup>th</sup> September 2012

We pray for the whole school family.

We ask that You will guide us in in the ways of truth and goodness. Make us all slow to react angrily or to be unkind to those with whom we spend our days.

Bless our school as a place where children can learn and a place where they feel happy and secure.

Bless all our staff and help us always to follow Your ways as we guide the children in our care.

We place all those people connected to our school, wherever they may be or whatever their circumstances, in Your Loving Care. Amen
