

# A Modern Version of the Lord's Prayer

by Jimmy P4

Almighty Father

We honour the name of yours.

Your Kingdom will come soon to Earth as it is in Heaven.

Thank you for the food we have

Forgive our sins

And we will try to forgive the sins of others.

Lead us not into temptation,

Deliver the devil to the Goodness.

For the Kingdom, the Might, the Glory and the Love are yours forever.

Amen.
