

**Father God,
We thank you for the opportunity
to begin this new school year.**

**We ask that you bless
all our pupils, our staff, and all those families and friends associated
with our school.**

**We ask that you will be with all those who are ill, bereaved or sad at
this time.**

**We pray that you will guide us in all that we do and all that aim to
achieve**

**Help us to seek your will
in everything that we do.**

We ask this in the name of Jesus Christ our Lord.

Amen
