

Dear God,

Thank you for the new school year.

Help us to look be kind and helpful, to work hard especially with our writing and for Mr Ferris so we get better at sports.

Please help us to be good.

We ask you to look after people who are poorly and sick as well as the people that we love who are in heaven.

Help us to look after our school and to take care of all the animals.

Help us to be happy.

Amen
