

## Prep 3 Prayer

### Based on the Prayer of Edmund Rice

Dear God,

We thank you for our school and for the life of Edmund Rice.

He built a school so that the poor could be taught.  
He helped the poor people by giving them food.  
He shared your love with everyone and told them about you.

He was kind and helpful, loving, ambitious and always busy.

May we follow his examples.

Give us the kindness of Edmund Rice so that we may treat others fairly.

Give us the ambition of Edmund Rice so that we may work hard to achieve our goals.

May we share your love with our friends and family.

We ask this through Christ our Lord,

Amen
