

## Version of Psalm 23 by Prep 4

The Lord will take care of me.

He gives me peace.

He gives me a happy life.

He shows me the way.

Because He is God.

He will look after me,  
even when bad things happen.

He will make me feel brave.

I will be in his company.

He will bless me with good things,  
particularly when my enemies are around.

You baptise me and I am filled with joy.

I will try my best all the time.

I will live with God forever.
